... A Leadership Training Centre

Equipping... Educating... Establishing...

Tyendingaga Mohawk Territory

Dear Training Centre Facilitator and/or Student Applicant,

Thank you for helping to assist and mobilize participation in the furthering of biblical studies through Aboriginal Bible Academy (ABA) in your area.

Whether God has called you or your students to minister from the pulpit or the pew, ABA has the courses you can use to improve yours or your student's understanding and presentation of God's Word. These inspirational, practical courses use the local church and community as a "learning lab" for the student to apply the knowledge and principles they are gaining.

You will find the documents listed below available for viewing (& printing as well) on our website under "FORMS". These various documents contain important information so please feel welcome to keep them on file for your reference:

- General Procedures & Guidelines
- Academic Fees
- Facilitator Contact Information – to be filled out by facilitator and returned to our office
- Student Application Forms – to be completed by new applicant and given to facilitator to return to our office
- Diploma & Certificate Programs
- Course Descriptions

If you are in need of any further assistance or clarification, please don't hesitate to contact our office by email, phone or fax (see bottom of page).

We pray that in some small way we can assist your efforts in encouraging those who are inside your circle of influence.

In His service,

Rev. Dan Collado
